**PROXY STATEMENT
Annual Meeting of Shareholders to be Held**

December 7, 2009

This proxy statement and the accompanying proxy is solicited on behalf of the Board of Directors, referred to as the **Board**, of Flexsteel Industries, Inc., referred to as the **Company** or **Flexsteel**, to be used at the Annual Meeting of Shareholders to be held on Monday, December 7, 2009, and any adjournments or postponements of the meeting, for the purposes set forth in the notice of meeting accompanying this proxy statement.

The mailing address of the corporate office and principal executive office of the Company is P.O. Box 877, Dubuque, IA 52004-0877. The approximate date on which this proxy statement and accompanying proxy card are first being mailed to shareholders is October 21, 2009.

PROXIES AND VOTING

Each shareholder who signs and returns a proxy in the form enclosed with this proxy statement has the unconditional right to revoke the proxy at any time prior to its use at the meeting. A shareholder can change his or her proxy or vote in one of three ways:

- send a signed notice of revocation to our Secretary to revoke the previously given proxy;
- send a completed proxy card bearing a later date than the previously given proxy to our Secretary indicating the change in your vote; or
- attend the meeting and vote in person, which will automatically cancel any proxy previously given, or the shareholder may revoke his or her proxy in person, but a shareholder's attendance at the meeting alone will not revoke any proxy that the shareholder has previously given.

If a shareholder chooses either of the first two methods, the shareholder must take the described action no later than the beginning of the meeting. Once voting on a particular matter is completed at the meeting, a shareholder will not be able to revoke his or her proxy or to change his or her vote as to that matter. Unless a shareholder's proxy is so revoked or

1

changed, the shares of common stock represented by each proxy received by the Company will be voted at the meeting and at any adjournments or postponements of the meeting. If a shareholder's shares of common stock are held in street name by a broker, bank or other financial institution, such shareholder must contact them to change his or her vote. Execution of the proxy will in no way affect a shareholder's right to attend the meeting and vote in person. If a shareholder specifies how the proxy is to be voted on any business to come before the meeting, it will be voted in accordance with such specification. If no specification is made, it will be voted FOR the election of James R. Richardson, Patrick M. Crahan, Robert E. Deignan and Mary C. Bottie as Class II Directors (Proposal I) and FOR the approval of the 2009 Stock Option Plan (Proposal II). Each of the above named director nominees have been previously elected by the shareholders.

As of the close of business on October 8, 2009, the record date for determining shareholders entitled to notice of, and to vote at, the meeting, the Company had 6,576,373 outstanding shares of common stock, par value \$1.00 per share, which is the only class of the Company's capital stock entitled to vote at the meeting. Each share of common stock issued and outstanding as of the record date is entitled to one vote upon each matter to be presented at the meeting, and cumulative voting for directors is not permitted. A quorum, consisting of a majority of the outstanding shares of common stock entitled to vote at the meeting, must be present in person or represented by proxy before action may be taken at the meeting.

Votes cast by proxy or in person will be counted by the inspector of election appointed for the meeting who will be present at the meeting. The affirmative vote of a plurality of the shares of common stock present in person or represented by proxy at the meeting and entitled to vote is required for the election of the director nominees named in this proxy statement. For Proposal No. I, the election of Class II Directors, the four nominees that receive the highest number of "FOR" votes will be elected. For Proposal No. II, the approval of the 2009 Stock Option Plan, the affirmative vote of the holders of a majority of the shares of common stock represented in person or proxy and entitled to vote will be required for approval. A "WITHHELD" vote will be counted for purposes of determining whether there is a quorum, but will not be voted in favor of the nominee with respect to whom authority has been withheld. A proxy voted "ABSTAIN" with respect to Proposal No. II will not be voted, although it will be considered present and entitled to vote, and thus has the same effect as a negative vote. A broker non-vote is treated as present for purposes of determining a quorum, but will not be counted as shares entitled to vote and will have no effect on the result of the vote.

2

While the Board knows of no other matter to be presented at the meeting or any adjournment or postponement of the meeting, all proxies returned to the Company will be voted on any such matter in accordance with the judgment of the proxies.

EXPENSE OF SOLICITATION

The cost of the solicitation of proxies on behalf of the Board will be paid by the Company. Solicitation of proxies will be principally by mail. In addition, the officers or employees of the Company and others may solicit proxies, either personally, by telephone, by special letter, or by other forms of communication. The Company will also make arrangements with banks, brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals and will reimburse them for reasonable expenses in so doing. Officers and employees of the Company will not receive additional compensation in connection with the solicitation of proxies.

PROPOSAL I

ELECTION OF DIRECTORS

Our Restated Articles of Incorporation, as amended, permit the election of thirteen Directors. The Board currently consists of ten persons divided into three classes. At this time, the Board has determined to maintain the size of the Board at ten members. At each Annual Meeting the terms of one class of Directors expire and persons are elected to that class for terms of three years or until their respective successors are duly qualified and elected or until their earlier resignation, removal or termination.

The Board has nominated, based on the recommendation of the Nominating and Compensation Committee, James R. Richardson, Patrick M. Crahan, Robert E. Deignan and Mary C. Bottie for election as Class II Directors of the Company. The Class II Directors' next term expires at the 2012 Annual Meeting or upon their respective successors being elected and qualified or until their earlier resignation, removal or termination. It is the intention of the proxies named herein to vote **FOR** these nominees unless otherwise directed in the proxy. All of the nominees have been previously elected by the shareholders.

All nominees named above have consented to serve as Directors if elected. In the event that any of the nominees should fail to stand for election, the persons named as proxy in the enclosed form of proxy intend to vote for substitute nominees as may be selected by the

3

Board. The proxies cannot be voted for a greater number of persons than the number of nominees named in this proxy statement.

The Board recommends a vote for its Director nominees named in this proxy statement. Proxies solicited by the Board will be so voted unless shareholders specify otherwise in their proxies.

PROPOSAL II

APPROVAL OF 2009 STOCK OPTION PLAN

The Nominating and Compensation Committee, recognizing that insufficient shares are available to provide further grants of stock options under the existing 2006 Stock Option Plan, advised the Board that it is in the interest of the Company to continue its longstanding practice of making stock options available to those employees responsible for significant contributions to the Company's business. The Nominating and Compensation Committee believes that the equity stake in the growth and success of the Company afforded by stock options provides such key employees with an incentive to continue to energetically apply their talents within the Company. Accordingly, on June 8, 2009, the Board, acting on the recommendation of the Nominating and Compensation Committee, unanimously approved the 2009 Stock Option Plan (the "Plan") and directed that it be submitted for consideration and action at the Annual Meeting of Shareholders.

The following is a brief but not comprehensive summary of the Plan which continues a practice that began at the Company in 1969. The complete text is attached as Appendix A and reference is made to such Appendix for a complete statement of the provisions of the Plan. The Plan provides for the granting of options to purchase up to 500,000 shares of the Company's common stock, to be drawn from authorized but unissued shares and/or from shares acquired by the Company, including on the open market. The number and kind of shares subject to the Plan would be appropriately adjusted in the event of any change in the capital structure of the Company. Shareholders would have no preemptive rights with regard to shares allotted to the Plan. The Plan would be administered by the Company's Nominating and Compensation Committee which is composed of five directors who are not employees of the Company. Each member of the Nominating and Compensation Committee must be a "Non-Employee Director" within the meaning of Rule 16b-3 of the General Rules and Regulations under the 1934 Act. No member of the Nominating and Compensation Committee is eligible to receive options under the Plan except automatic formula grants as a director. Participants would be selected by the Nominating and Compensation Committee

4

from among key employees of the Company, a group consisting of approximately twenty persons. Optionees would be selected on the basis of demonstrated ability to contribute substantially to the effective management of the Company. The Nominating and Compensation Committee would determine both the number of optionees and the number of shares to be optioned to any individual under the Plan. The Board would be able to amend the Plan without further approval by the shareholders, except insofar as such approval is required by law.

Under the Plan, nonstatutory stock options are automatically granted to non-employee directors of the Company. Each person who is a non-employee director is granted a nonstatutory 2,500-share option on the day the non-employee director first becomes a non-employee director and each year on the day after the annual meeting of shareholders of the Company, at an exercise price equal to the fair market value (as defined in the Plan) of the common stock on the date of the grant. The option is immediately vested.

The Plan would enable the Company to grant either "non-qualified options" or "incentive stock options". No options could be granted under the Plan later than December 1, 2019. Options could have an exercise period of up to ten years as determined by the Committee. In the event of termination of employment due to death, disability or retirement, the period of time for exercise varies from two to five years. The options would not be transferable, except in the event of death. The exercise price per share for each option would be not less than the fair market value on the date of grant. It is provided that payment for the exercise may be made in stock or cash. The aggregate fair market value (determined as of the time such option is granted) of the common stock for which any employee may have incentive stock options vest in any calendar year may not exceed \$100,000. Proceeds received from the exercise of options will be used for general corporate purposes.

Under currently applicable provisions of the Internal Revenue Code an optionee will not be deemed to receive any income for Federal tax purposes upon the grant of an option under the Plan, nor will the Company be entitled to a tax deduction at that time. However, upon the exercise of an option the tax consequences are as follows:

1. Upon the exercise of a non-qualified option, the optionee will be deemed to have received ordinary income in an amount equal to the difference between the option price and the market price of the shares on the exercise date. The Company will be allowed an income tax deduction equal to the excess of market value of the shares on the date of exercise over the cost of such shares to optionee.
2. Upon the exercise of an incentive stock option, there is no income recognized by the optionee at the time of exercise. If the stock is held at least one year following

5

the exercise date and at least two years from the date of grant of the option, the optionee will realize a long-term capital gain or loss upon sale, measured as the difference between the option exercise price and the sale price. If either of these holding period requirements are not satisfied, ordinary income tax treatment will apply to the amount of gain measured at the date of exercise. No income tax deduction will be allowed the Company with respect to shares purchased by an optionee upon the exercise of an incentive stock option, provided such shares are held for the required periods as described above.

Under the Internal Revenue Code, an option will generally be disqualified from receiving incentive stock option treatment if it is exercised more than three months following termination of employment. However, if the optionee is disabled or dies while employed by the Company or within three months thereafter, such statutory treatment is available for one year following termination. In no event do these statutory provisions extend the rights to exercise an option beyond those provided by its terms.

The closing sale price of the Company's common stock on October 8, 2009 as reported by The Nasdaq Stock Market was \$8.05 per share.

The affirmative vote of the holders of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote at the meeting will be required for approval of the Plan.

The Board recommends a vote FOR the proposal to approve the 2009 Stock Option Plan. Unless otherwise specified, the proxies solicited by the Board will be voted FOR the proposal.

EXECUTIVE COMPENSATION

The following table sets forth the cash and non-cash compensation for the last two fiscal years awarded to or earned by (i) the individual that served as our principal executive officer ("Chief Executive Officer") during our fiscal year ended June 30, 2009, referred to as **fiscal 2009**; (ii) our two most highly

compensated individuals who served as executive officers of Flexsteel other than our Chief Executive Officer at the end of fiscal 2009. The Chief Executive Officer and the two executive officers named below are collectively referred to in this proxy statement as the **named executive officers**.

(1) The amounts shown represent the aggregate grant date fair value computed in accordance with Generally Accepted Accounting Principles in the United States (“U.S. GAAP”).

(2) The amounts shown represent the cash bonuses earned under the Company’s annual incentive program.

(3) In June 2008, the Nominating and Compensation Committee established the targets for the Company’s Executive Officers’ annual incentive awards. At the end of fiscal year 2009, it was determined that the target for free cash flow was exceeded and the Executive Officers as a group were eligible to receive \$306,000 in cash bonuses. The Executive Officers believed that it was inappropriate to receive any cash bonuses for fiscal year 2009 due to the overall actions taken in response to the dramatic economic downturn. These actions included closing facilities, significant employee terminations, salary deferrals and a reduction in the dividend payments to shareholders. The Company experienced significant declines in revenue, operating results were near breakeven and the Company recorded a net loss. As many of the factors affecting fiscal year 2009 could not have been anticipated when the targets were established, the Nominating and Compensation Committee concurred with the recommendation of the Executive Officers and no cash bonuses were awarded or paid for fiscal year 2009.

(4) Includes for the named executive officer indicated amounts paid or accrued for the following perquisites and personal benefits: car allowance or company-provided car, tax planning services, country club dues, supplemental health insurance, furniture program, company retirement plan contributions and matching contributions to our 401(k) plan. The amounts of our contribution to the senior officer supplemental retirement plan for 2009 and 2008 for Mr. Klosterman were \$93,000 and \$95,800, respectively and for Mr. Richardson were \$31,000 and \$64,500, respectively.

(5) Includes for the named executive officer indicated amounts paid for the following perquisites and personal benefits: car allowance or company-provided car, tax planning services, country club dues, furniture program and matching contributions to the Company’s 401(k) plan.

We offer the following retirement plan benefits to our executive officers, other than Donald D. Dreher (who receives the benefits required by his employment agreement described below):

• **Retirement Savings Plans.** We maintain the Flexsteel Industries, Inc. Salaried Employees Retirement and 401(k) Plan, referred to as the **Retirement Plan**, a qualified plan available generally to all salaried employees. The Retirement Plan provides that we can make discretionary contributions, on a non-discriminatory basis, under the Retirement Plan. There were no discretionary contributions during fiscal 2009. The Retirement Plan also provides for each participant to make elective contributions up to 50% of base salary and annual cash bonus (pay), subject to Internal Revenue Code limits, which are matched by us at 25% of the first 4% of pay contributed by the participant. In addition, the Retirement Plan requires that we contribute 4% of pay up to the Social Security base and 6% of pay in excess of the Social Security base on behalf of each participant in the plan. The amount of these matching contributions and other required company contributions is shown in the Summary Compensation Table in the column titled “All other compensation” above.

• **Nonqualified Voluntary Deferred Compensation and Senior Officer Supplemental Retirement Plans.**

Voluntary Deferred Compensation – We maintain the Flexsteel Industries, Inc. Voluntary Deferred Compensation Plan, referred to as the **Voluntary Plan**, which allows our executive officers the opportunity to voluntarily defer, based on annual elections, 10% to 30% of their base salary, 10% to 100% of annual incentive compensation and 33% to 100% of their long-term incentive compensation. We offer this opportunity to our executive officers to assist them in income tax and estate planning purposes. The executive officer may elect an earnings credit based on the prime interest rate effective on January 1 of each calendar year, the annual return of the S&P 500 Index as of the end of calendar year, or a combination of the two. Distributions are made upon the earliest of the participant’s death, disability, or the date which is six months after the date of the executive’s separation of service from the Company. The Voluntary Plan does not permit us to make contributions.

Senior Officer Supplemental Retirement Plan – We maintain supplemental retirement plans, collectively referred to as the **Supplemental Plan**, which provides for additional annual defined contributions toward retirement benefits to our senior executive officers. The additional contribution is stipulated in the executive’s individual agreements or in the document governing the arrangements. Earnings are credited to the accumulated contributions based on the investment return of assets we designate for this obligation.

The amount of the contribution for each named executive officer is reported in the Summary Compensation Table in the column titled “All other compensation”. Distributions begin when the executive attains age 65 and retires or in some cases when the executive terminates employment. Distributions are paid in installments or lump sums as elected by the executive. Under the Supplemental Plan our named executive officers are entitled to monthly payments of \$5,000 until they reach or would have reached age 65 upon termination of employment due to death or disability.

Employment Agreement for Donald D. Dreher. On October 1, 2006, we entered into an employment agreement with Donald D. Dreher, a Senior Vice President of Flexsteel and Chief Executive Officer and President of DMI Furniture, Inc. and on June 27, 2008, we entered into an amendment to the employment agreement extending the term of the agreement from December 31, 2009 to September 30, 2012, unless terminated prior to that time as provided in the employment agreement. We have the right to terminate the employment agreement upon 30 days advance notice without cause and can terminate the employment agreement for cause (as defined in the employment agreement) upon 120 days advance notice. Under the terms of the employment agreement, Mr. Dreher is entitled to a base annual salary of \$379,200 and an annual bonus, subject to achieving annual performance levels established by our Board, of not less than \$50,000, unless our subsidiary, DMI Furniture, Inc., reports a financial pre-tax loss (before this bonus) in which case no bonus shall be paid. Mr. Dreher’s

employment agreement also provides that we provide him with life insurance; health, disability and travel accident insurance consistent with DMI Furniture, Inc.'s coverage; automobile allowance; reimbursement for certain medical care expenses; personal tax and financial planning expense allowance; and country club dues. If Mr. Dreher becomes disabled, his fringe benefits continue through December 31, 2009. If the employment agreement is terminated without cause prior to September 30, 2012, Mr. Dreher is entitled to payment in one lump sum of the balance of his base salary through September 30, 2012 so long as he agrees to comply with the noncompete provisions of the employment agreement. The employment agreement also contains a 24-month post-termination noncompete provision and non-solicitation and confidentiality provisions. Assuming Mr. Dreher was terminated without cause effective June 30, 2009, he would have been entitled to an estimated lump sum cash severance payment in the aggregate amount of approximately \$1,232,000. If he had been terminated due to disability effective June 30, 2009, Mr. Dreher would have been entitled to the continuation of all of his fringe benefits through December 31, 2009 with an estimated present value of approximately \$17,000. The foregoing amounts are estimates of the amounts that would have been paid out to Mr. Dreher upon his termination of employment. The actual amounts to be paid out can only be determined at the time Mr. Dreher in fact terminates employment with us.

CORPORATE GOVERNANCE

Board of Directors

Our Board of Directors is currently comprised of the ten members identified under Proposal I (Election of Directors). During the fiscal year ended June 30, 2009, five meetings of the Board were held. All of the directors of the Company attended no less than 75% of the meetings of the Board and the committees on which they served. The Company does not have a formal policy regarding attendance by Board members at the Company's annual meetings, but the Board encourages all its members to attend the annual meeting of shareholders. Seven members of the Board of Directors attended the prior year's annual meeting.

12

The Board has determined that the following directors, which constitute a majority of the Board of Directors, are independent directors as defined by The NASDAQ Stock Market listing standards: Mary C. Bottie, L. Bruce Boylen, Lynn J. Davis, Robert E. Deignan, Thomas E. Holloran and Eric S. Rangen. The independent directors meet periodically in executive session without the Chief Executive Officer or other management directors present. Thomas E. Holloran presides at these meetings.

Ability of Shareholders to Communicate with the Board of Directors

The Board has provided the means by which shareholders may send communications to the Board or to individual members of the Board. Such communications, whether by letter, email or telephone should be directed to the Secretary of the Company who will forward them to the intended recipients. However, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of the Secretary, may not be forwarded to the directors.

Committees of the Board

Our Board of Directors has established two standing committees of the Board. The names of the committees and the principal duties are as follows:

Audit and Ethics Committee — Confers with the independent registered public accounting firm on various matters, including the scope and results of the audit; authorizes special reviews or audits; reviews internal auditing procedures and the adequacy of internal controls; and reviews policies and practices respecting compliance with laws, conflicts of interest and ethical standards of the Company. The Committee held ten meetings during the fiscal year ended June 30, 2009. The Committee members are Eric S. Rangen, Mary C. Bottie, Lynn J. Davis, Robert E. Deignan and Thomas E. Holloran. The Board has adopted a written charter for the Audit and Ethics Committee. The Board believes all Audit and Ethics Committee members are independent as defined by The NASDAQ Stock Market listing standards. The Board has determined that two members of the Audit and Ethics Committee qualify as "audit committee financial experts" within the meaning of the Securities Exchange Act of 1934, as amended, referred to as the 1934 Act, and have designated Eric S. Rangen and Lynn J. Davis as the audit committee financial experts.

Nominating and Compensation Committee — Makes recommendations regarding Board compensation; reviews performance and compensation of all executive officers; determines stock option grants; advises regarding employee benefit plans; reviews timely proposed nominations received from any source including nominations by shareholders and

13

makes recommendations to the Board regarding all director nominees; and develops and maintains succession planning policies and criteria for senior executives and Board members.

The Board has adopted a written charter for the Nominating and Compensation Committee. The Board believes all Nominating and Compensation Committee members are independent as defined by The NASDAQ Stock Market listing standards. The Committee held four meetings during the fiscal year ended June 30, 2009. The Committee members are Robert E. Deignan, Mary C. Bottie, Lynn J. Davis, Thomas E. Holloran and Eric S. Rangen.

Stock Option Granting Policy — The Nominating and Compensation Committee has formalized its stock option granting practices by adopting a policy for the grant of stock options. The policy reflects the Nominating and Compensation Committee's long-standing approach to stock option grants described above. In addition, the policy provides, among other things, that all grants of stock options must be approved by the Nominating and Compensation Committee at in person or telephonic meetings generally on an annual basis; stock options may not be granted to a current director, officer or employee during any quarterly or other blackout period as defined in our insider trading policy; the grant date for each option will be the date of the Nominating and Compensation Committee meeting at which action was taken to approve the stock option; the exercise price for the stock option will be equal to the last sale price per share of our common stock as reported on The NASDAQ Stock Market on the grant date; specifies procedures for granting stock options to newly hired executives; and that any program, plan or practice to time or select the grant dates of stock options in coordination with the release by us of material non-public information is prohibited.

Nomination Matters — The Nominating and Compensation Committee will consider each candidate's general business and industry experience, his or her ability to act on behalf of shareholders, overall Board diversity, potential concerns regarding independence or conflicts of interest and other factors relevant in evaluating Board nominees. If the Nominating and Compensation Committee approves a candidate for further review following an initial screening, the

Nominating and Compensation Committee will establish an interview process for the candidate. Generally, the candidate will meet with the members of the Nominating and Compensation Committee, along with our Chief Executive Officer. Contemporaneously with the interview process, the Nominating and Compensation Committee will conduct a comprehensive conflicts-of-interest assessment of the candidate. The Nominating and Compensation Committee will consider reports of the interviews and the conflicts-of-interest assessment to determine whether to recommend the candidate to the full Board of Directors. The Nominating and Compensation Committee will also take into

consideration the candidate's personal attributes, including, without limitation, personal integrity, loyalty to us and concern for our success and welfare, willingness to apply sound and independent business judgment, awareness of a director's vital part in good corporate citizenship and image, time available for meetings and consultation on Company matters and willingness to assume broad, fiduciary responsibility.

Recommendations for candidates to be considered for election to the Board at our annual shareholder meetings may be submitted to the Nominating and Compensation Committee by our shareholders. Candidates recommended by our shareholders will be considered under the same standards as candidates that are identified by the Nominating and Compensation Committee. Nominations by shareholders to be made at the annual meeting but not to be included in our proxy statement must be received by the Secretary of the Company at least 18 days before the annual meeting and set forth nominee information as required by the Company's 1983 Restated Articles of Incorporation, as amended, which are available upon request to the Secretary of the Company. To enable the committee to evaluate the candidate's qualifications, shareholder recommendations must include the following information:

- The name, age, business address and, if known, residence address of each nominee proposed in such notice;
- The principal occupation or employment of each such nominee; and
- The number of shares of stock of the Company, which are beneficially owned by each such nominee.

Committee Charters — Subject to applicable law and regulatory requirements, the Board may establish additional or different committees from time to time. The charters of the Audit and Ethics Committee and Nominating and Compensation Committee are available at www.flexsteel.com.

- (4) The Board, or the Committee, may correct any defect, supply any omission or reconcile any inconsistency in the Plan, or in any granted Option, in the manner and to the extent it shall deem necessary to carry it into effect.

None of the Committee members are eligible to receive Options under the Plan while a member of the Committee, except pursuant to Section 5(e).

- (b) All determinations by the Committee shall be made by the affirmative vote of a majority of its members by written consent or by a majority vote, in person or otherwise, of its members at a meeting called for that purpose.

A-3

-
- (c) Each Option shall be evidenced by an Agreement which shall contain the terms and conditions and shall be signed by an Officer of the Company and the Optionee. As a minimum, the Agreement shall state the number of shares of stock under Option, the Option price and the duration of the Option.
 - (d) All decisions made by the Committee pursuant to provisions of the Plan or related orders or resolutions of the Board of Directors shall be final, conclusive and binding on all parties, including the Company, shareholders, employees and Optionees.

SECTION 4

SHARES SUBJECT TO THE PLAN:

- (a) Shares to be delivered upon exercise of an Option under the Plan shall be made available at the discretion of the Board of Directors either from authorized but unissued shares of the Company's Common Stock or shares acquired by the Company, including shares purchased in the open market.
- (b) In the event of merger, reorganization, consolidation, recapitalization, stock dividend, stock split, or other change in corporation structure affecting the Company's Common Stock the number of shares of Common Stock available for Options and subject to outstanding Options shall be adjusted proportionately. Similarly, the Option price per share of outstanding Options shall be appropriately adjusted. However, fractional shares may be rounded to the nearest whole share.

SECTION 5

ELIGIBILITY AND PARTICIPATION:

- (a) The persons eligible for participation in the Plan shall be full-time managerial, administrative or professional employees of the Company, Non-employee directors and those other employees who are key to the Company's success. This includes officers, whether or not Directors of the Company. Participation in the Plan shall not be automatic except for Non-employee directors who shall be granted Options in amounts and pursuant to the terms only as provided by Section 5(e) herein and not otherwise.

A-4

-
- (b) Subject to the limitations of the Plan, the Committee shall select the persons to participate in the Plan, determine the number and Option price of shares subject to each Option, and determine the date when each Option shall be granted and the date when each Option shall expire. The date the employee becomes an Optionee is the date of his Agreement with the Company. More than one Option may be granted to the same Optionee and an Optionee may enter into more than one Agreement with the Company.
 - (c) No Incentive Stock Option shall be granted to anyone who, immediately after such Option would otherwise be granted, would own stock representing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company.
 - (d) An Option granted to an Optionee under this Plan shall in all events lapse upon expiration of the Option period, if not exercised, lapsed, canceled or otherwise terminated prior thereto. If an Option granted hereunder is not exercised but is canceled, terminated or lapsed, the shares covered by such Option shall become again available for grant by the Committee under this Plan.
 - (e) Each person who becomes for the first time a Non-employee director, including by reason of election, appointment or lapse of three (3) years since employment by the Company (whether or not that person is standing for re-election that year), will receive an immediate one-time Option grant for 2,500 shares (under all such plans of the Company and its parent and subsidiary corporations, if any). Each Non-employee director will receive an Option grant for 2,500 shares (under all such plans of the Company and its parent and subsidiary corporations, if any) on the first business day following each annual meeting. The following terms and conditions are applicable to each Option. The Option price per share will be equal to one hundred percent (100%) of the fair market value on the date of the Option grant. The Options will have terms of ten years measured from the date of the Option grant.

SECTION 6

TERM OF THE PLAN AND OPTION PERIOD:

- (a) The Plan shall automatically terminate on December 1, 2019, which is within ten years from the Date of Adoption. No Options shall be granted after the date of such termination. However, the Plan shall remain in effect as to all outstanding Options until the outstanding Options are exercised, canceled, terminated or lapsed.

- (b) Such termination shall not adversely affect Options previously granted.
- (c) Subject to the provisions of the Plan with respect to death, disability, retirement, termination of employment, or otherwise, the maximum period during which each Option shall be exercised shall be fixed by the Committee, except for Non-employee directors, at the time each such Option is granted, but in no event shall it exceed ten years from the date of such grant.

SECTION 7

OTHER PROVISIONS:

The Committee may grant either Incentive Stock Options or Nonqualified Stock Options to employees. Where an Incentive Stock Option and a Nonqualified Stock Option are awarded by the Committee, such Options shall constitute separate grants and shall clearly be identified as such. In no event will the exercise of one such Option affect the right to exercise the other such Option. If an Incentive Stock Option is awarded, absolutely all terms and conditions making it so must be complied with by the Company and the Optionee.

- (a) **OPTION PRICE:** The Option price for shares of Common Stock of the Company shall be one hundred percent (100%) of the fair market value of such Common Stock on the date the Option is granted. For the purposes of this Plan, such fair market value shall be determined (i) in case the Common Stock shall not then be listed and traded upon a recognized securities exchange, upon the basis of the mean between the bid and asked quotations for such stock on the date of grant (as reported by a recognized stock quotation service) or, in the event that there shall be no bid or asked quotations on the date of grant, then upon the basis of preceding the date of grant, or (ii) in the case the Common Stock shall then be listed and traded upon a recognized securities exchange, upon the basis of the mean between the highest and lowest selling prices at which shares of the Common Stock were traded on such recognized securities exchange on the date of grant or, if the Common Stock was not traded on said date, upon the basis of the mean of such prices on the date nearest preceding the date of grant, and upon any other factors which the Committee shall deem appropriate.
- (b) **MAXIMUM OPTION GRANTS:** The aggregate fair market value (determined at the time the Option is granted) of the stock with respect to which Incentive Stock Options are exercisable for the first time by such individual during any calendar year (under all such plans of the Company and its parent and subsidiary corporations, if any) shall not exceed \$100,000. Options granted in excess of the

applicable statutory limit shall be treated as Nonqualified Stock Options. No Optionee may be granted Options in any fiscal year to purchase an aggregate number of shares in excess of 100,000 Common Shares per Optionee.

- (c) **EXERCISE OF OPTIONS:** Each Option granted under the Plan shall be exercisable at the Option price set forth in the Agreement, on such date or dates during such Option Period (not exceeding ten years from the date of such grant) and for such number of shares as determined by the Committee and as is set forth in the Agreement with respect to such Option. However, no Option granted hereunder to any employee may be exercised except in the case of death, disability or retirement pursuant to any pension or retirement plan of the Company, until two years of continued employment with the Company has elapsed. Any Optionee desiring to exercise any Option hereunder shall give written notice to the designated financial officer of the Company and include therein full payment for the shares supporting such Option. Full payment of the exercise price including any tax due is to be made in cash, with the stock of the Company or with a combination of both. Notice is only valid when full payment is included therewith.
- (d) **TRANSFERABILITY OF OPTIONS:** An Option granted under the Plan may not be transferred except by will or the laws of descent and distribution, and during the lifetime of the Optionee shall only be exercisable by the Optionee. The Optionee shall have no interest in the stock subject to Options and shall have no rights until the shares are fully paid for and certificates for such stock are issued to the Optionee.
- (e) **PAYMENT FOR SHARES:** No shares shall be issued to any Optionee until notice, as defined in Section 7(c) has been given to the Company. Within 45 days after the receipt of said notice to exercise the Option, the Company shall deliver to the Optionee certificates representing all stock purchased thereunder.
- (f) **RESTRICTION ON SALE OF SHARES:** Any stock received pursuant to the exercise of an Incentive Stock Option which is sold within either: 1) two years from the effective date of the Option grant, or 2) within one year of the effective date of exercise, shall not be afforded the tax treatment of Incentive Stock Options. However, if any Optionee disposes of shares of Common Stock of the Company acquired on the exercise of an Incentive Stock Option by sale or exchange, either: 1) within two years after the date of the Option grant of the Incentive Stock Option under which the stock was acquired, or 2) within one year after the acquisition of such shares, the Optionee shall notify the Company of such disposition and of the amount realized upon such disposition.

SECTION 8

DEATH, RETIREMENT AND TERMINATION OF SERVICES:

Any Option granted to an employee or non-employee Director, the period of which has not lapsed or expired, shall terminate at the time of the death of the Optionee to whom the Option was granted or on the retirement or termination for any reason of such Optionee's employment with the Company or cessation of serving as a non-employee Director, and no shares may thereafter be delivered pursuant to such Option, except that:

- (a) within two years after the date of the Optionee's death, during which two year period the Option may be exercised by the Optionee's estate, legal

representative, or legatee or such other person designated by an appropriate court as the person entitled to exercise such Option but only to the extent the Optionee was entitled to exercise it at the time of death. The Option must be exercised in the manner provided for in Section 7(c).

- (b) within five years after termination of employment by reason of retirement pursuant to any pension or retirement plan of the Company or cessation of serving as a non-employee Director and to the extent the Optionee would have been able to exercise it at the time of such termination or cessation. The Option must be exercised in the manner provided for in Section 7(c).
- (c) within two years after termination of employment by reason of disability to the extent the Optionee would have been able to exercise it at the time of such termination. The Option must be exercised in the manner provided for in Section 7(c).

Nothing in this Section 8 shall extend the option period as established at time of grant.

SECTION 9

AMENDMENT OF THE PLAN:

The Board of Directors may amend, suspend or discontinue the Plan, but may not, without the approval of the Company's shareholders, make any amendment which would:

- (a) abolish the Committee, change the qualifications of its members, or withdraw the administration of the Plan from its supervision, or permit any person while a member of the Committee to become eligible to participate in the Plan subject to Section 5(e);

A-8

- (b) make any material change in the class of eligible employees as defined in the Plan;
- (c) increase the aggregate number of shares for which Options may be granted under the Plan;
- (d) extend the term of the Plan or the maximum Option Period; or
- (e) change the right of any Non-employee director to receive automatic non-discretionary grants of Options under this Plan. The Plan provisions relating to grants to Non-employee directors shall not be amended more than once every six months, other than to comport with changes in the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder.

REQUIREMENTS OF LAW:

- (a) **WITHHOLDING TAXES:** The Company shall have the right to deduct from all payments under this Plan, in cash, or deduct from payroll wages, an amount necessary to satisfy any federal, state or local withholding tax requirements or otherwise.
- (b) **GOVERNING LAW:** The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of Minnesota.
- (c) **AGREEMENT TO COMPLY WITH SECURITIES LAWS AND THE INTERNAL REVENUE CODE:** Before the Company delivers any stock purchased, the following written statement may be required from the Optionee:

"I agree not to dispose of the shares purchased by me pursuant to the Flexsteel Industries, Inc. 2009 Stock Option Plan, otherwise than in compliance with the Securities Act of 1933, as amended, and rules and regulations promulgated thereunder and all other laws, rules and regulations applicable."

- (c) If any Incentive Stock Option is not granted, exercised or held pursuant to the requirements of Section 422 of the Code, it will be considered to be a Nonqualified Stock Option to the extent that any or all of the Option grant or exercise is in conflict with such requirements.
